

Summary of August 2020 Schedule Adjustments

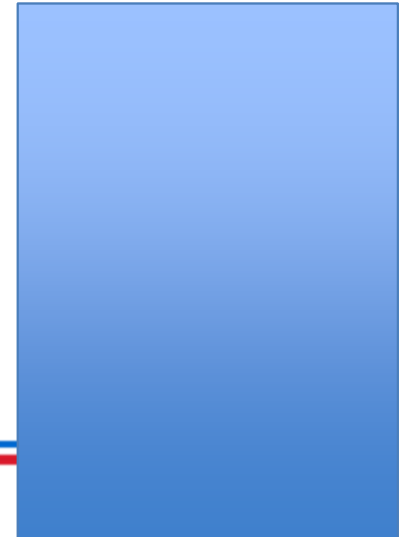

Presented to:
Operational Planning & Infrastructure
Committee
July 14, 2020

Phase II Service Restoration Aug. 9

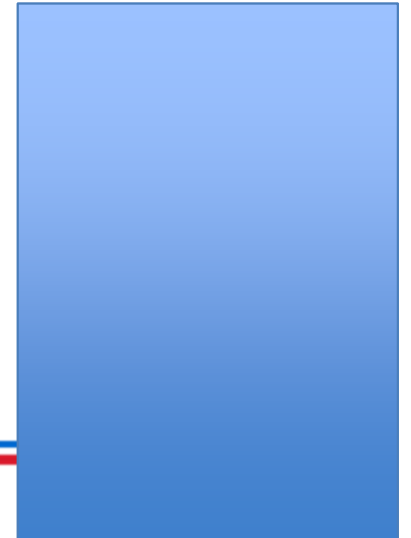

- Weekly vehicle-hours of service will grow to 93% of pre-COVID level
- Decisions were guided by vehicle capacity & demand, availability of alternative routes, and customer feedback

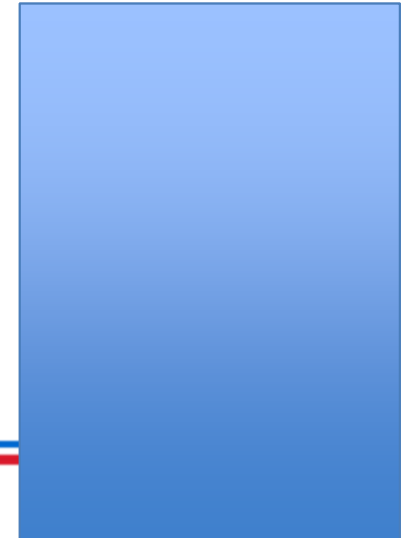

Service Restorations

- Blue and Green Line rail service will be restored to the June 27 (pre-shutdown) frequency
- Each Park-N-Ride route will provide two trips per hour for customers not working from home
- B-Line trolley will serve Public Square in both directions every 15 minutes to serve major destinations - see modified route on next slide

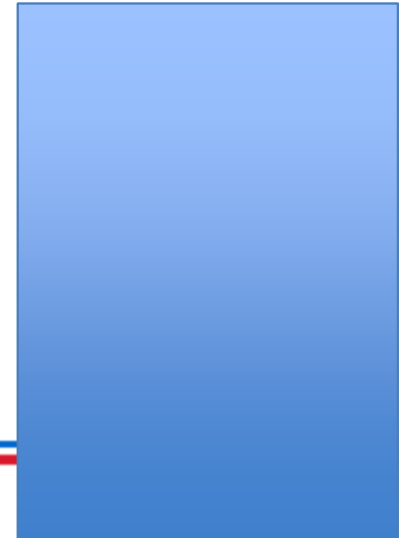

Revised B-Line Trolley Route

Service Frequency Improvements

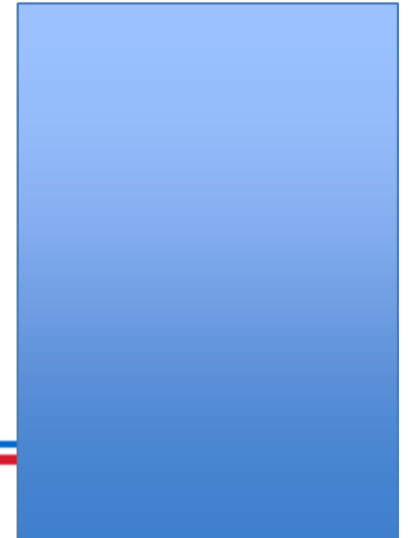

- HealthLine - Euclid Ave.
- Route #1 - St. Clair Ave.
- Route #3 - Superior Ave.
- Route #11 - Quincy Ave.
- Route #14 - Kinsman Ave.
- Route #15 - Harvard Ave.
- Route #22 - Lorain Ave.
- Route #79 - Fulton Rd.

Service Frequency Improvements

- MetroHealth Line Service on West 25th Street was restored to pre-COVID frequency effective June 28
- Staff will continue monitoring to see what additional service adjustments are needed
